

How to Use Your Sunbehm Email

Every time we visit your property, you get one email. Here is what each button does.

No app to download. No password to remember. Everything is one tap away.

YOUR EMAIL AT A GLANCE

View Your Report	See your full report. Opens the complete write-up from today’s visit, with photos of your property.
Service Request	Ask us to handle something. Tap here to tell us what you need done at your property — and we’ll take care of it.
Pay Now	Pay securely by card. If autopay is on, you’ll instead see “nothing to do” — it’s already handled for you.
Manage Billing	See past invoices & update your card. Opens your secure billing page — your email is already filled in.
Autopay: ON / OFF	Turn automatic payments on or off. Shows your current setting. Tap manage or turn on beside it — two taps and you’re done.
Leave Us a Google Review	Loved the visit? Tell others. You’ll find this link at the very bottom of every email — one tap to leave a review.
PDF attachments	Save or print anytime. Your report, receipts, and invoice are attached to the email as PDFs.

Questions? Just call — we’re happy to help.
